

JIM HARROWELL ACCOMPANIED NSW PREMIER BARRY O'FARRELL ON CHINA TRADE MISSION

Jim Harrowell, Partner Hunt & Hunt recently returned from accompanying NSW Premier Barry O'Farrell on his first overseas trade mission to China.

Due to Jim Harrowell's extensive knowledge and relationships with China and the Australian Government, he was asked by the Premier to accompany him on this important six day mission. Other members of the trade mission included senior representatives of some of Australia's leading businesses. The objective of the mission was for the Premier to meet with key officials in China with a particular focus on education, finance, resources and infrastructure. Jim worked closely with the Premier's office and the NSW Department of Industry & Investment to assist in arranging key meetings with Chinese officials. The Premier has written to Hunt & Hunt thanking Jim Harrowell for his efforts and for contributing to the success of the mission.

Hunt & Hunt plays a pivotal role in Australia and China relations. In recent weeks, Jim Harrowell has also held meetings with the new Australian Ambassador to China, Francis Adamson and Frank Paton and just last week we hosted an Australia China Business Council function for 70 guests in Sydney for the Chinese Consul General.
